## Ownership Skit

### Skill:

- Application (AP)

### Time on Task:

- 20–25 minutes

### Goal/Purpose:

- The goal of this activity is to prepare a skit about one of the forms of business ownership and participate in identifying other forms of ownership.

*Your instructor will provide additional guidance about how to create your skit, as well as the procedure for handing in your information. You may use your textbook or search on the Internet for information you might want to use for your skit. Prepare your skit on the ownership topic you were assigned, making sure not to use the name of the ownership type. Each group will present their skit to the class. After each group has presented their skit, write down the form of ownership portrayed. Use the following chart to record your answer after each group. In the right-side column, write the names of the students who acted out the ownership type reflected in the left-side column.*
