Class:

List of Expenses

Skill:

- Analysis (AN)

Time on Task:

- 10–15 minutes

Goal/Purpose:

- The goal of this activity is to determine expenses that a local business may incur on a regular basis.

To become profitable as an entrepreneur, you must determine and control the costs necessary to produce your products and operate your business. Select a business in your community. Create a list of expenses you think they likely incur on a regular basis. This information may be reported to the class according to your instructor's guidelines, so be sure to include enough information to facilitate a discussion.

1. Name of the local business you have selected

Answer:

2. Record a list of expenses the business would incur on a regular basis.

Answer:
