Activity 2.3B: Making and Amending Motions

Instructions

Follow the instructions for making and amending motions.

1. Begin by writing ten main motions in the space provided below. These motions can be related to the school, to the FFA chapter at your school, or to the community. Begin each of your motions with the words *I move*.

Example:

Main motion: I move that our class take a field trip to the botanical garden.

2. Once you have completed your main motions, trade papers with a partner and write a proposed amendment to each of their ten motions in the space provided.

Example:

Amendment: I move that our class take a field trip to the botanical garden *in May*.

3. Include the method of amending the motion that your amendment demonstrates in the space provided.

Example:

Amendment: I move that our class take a field trip to the botanical garden *in May*.
