## Activity 16.3A: Recreation Safety Pamphlet

### Materials Needed

- Internet access
- Printer and paper

### Instructions

*For this activity, you will be creating an informational pamphlet about safety for an outdoor recreation activity.*

1. Select a specific type of outdoor recreation (i.e., turkey hunting, cross-country skiing, snowmobiling, mountain biking). Once you have your teacher's approval, begin researching your topic and gathering data for your pamphlet.
2. What is your activity?  
Answer:
3. Describe your activity:  
Answer:
4. What types of safety gear are required for the activity?  
Answer:
5. Does the activity require a permit or license?  
Answer:
6. If so, what are the restrictions for the permit (daily, annual, seasonal, local, national, etc.)?  
Answer:
7. Are there age restrictions for the activity?  
Answer:

8. Are there classes available?

Answer:

9. Where can this activity be performed?

Answer:

10. List additional tips and guidelines for safely participating in the activity.

Answer:

11. Using the information you have gathered, create a safety pamphlet for your outdoor activity. Include images to enhance your pamphlet and its message.
